- Constructing the Leaves

- Using green seed beads, shape the leaves with a combination of brick and RAW stitches.
- Make two elongated leaf pieces with pointed tips and rounded bases.
- Attach the leaves to the stem or the back of the petals securely.

- Assembling the Flower

- Arrange the petals around the center, overlapping slightly for a natural look.
- Sew or thread the petals together at their bases, ensuring stability.

- Decide on the size of each petal; a common size is about 1-2 inches in length.
- Thread your needle with enough thread to complete the petal.
- String beads in the order of your color palette.
- Follow your pattern to create a slightly ruffled, petal-shaped beadwork.
